

COTSWOLD LOOP

Summary

This ride takes in some fantastic roads and scenery. It is based largely in the Cotswolds and also includes a spectacular stretch of the Fosse Way. An extremely enjoyable day's riding.

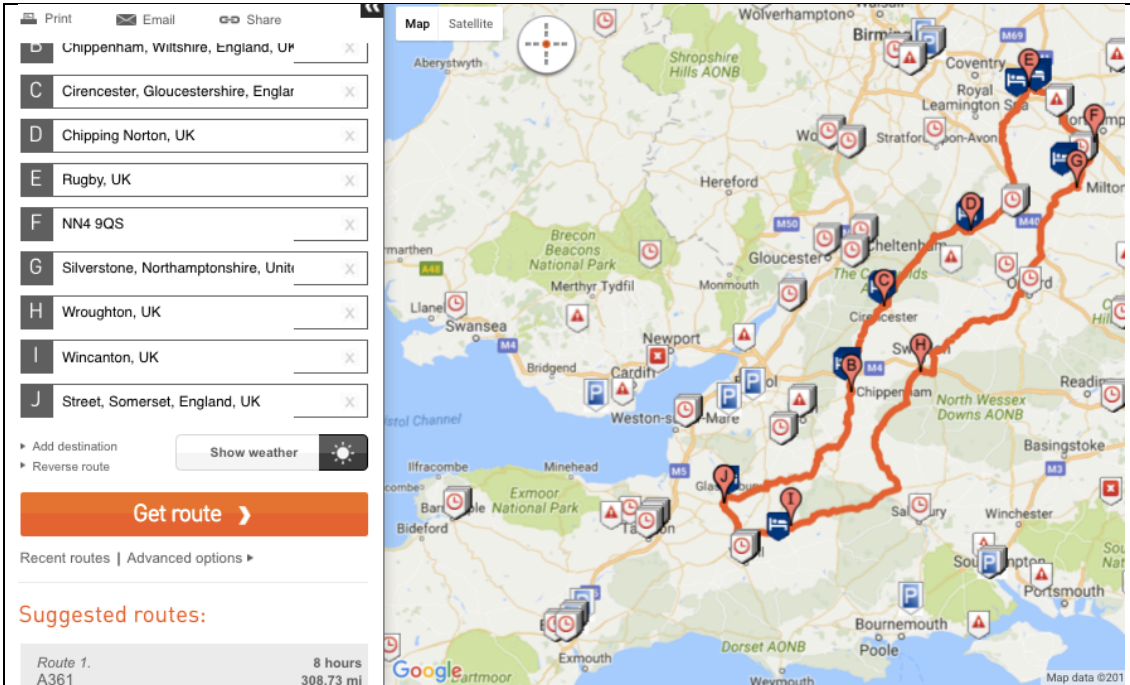

The Challenge

You can start at any point on the loop and the aim is to get round in a day, starting and ending at the same point. You can go clockwise or anticlockwise.

Distance: 310 Miles

Time to complete: 1 day

Riding Time: 8 hours

Points: A. Street; B. Chippenham; C. Cirencester; D. Chipping Norton; E. Rugby; F. NN4 9QS (Watford Gap Services Southbound); G. Silverstone; H. Wroughton; I. Wincanton; J. Street

Notes

The current route includes a short stretch of motorway, which turned out to be frustrating and boring as it is all at a 50 mph limit. To avoid this, you can experiment with alternatives to point F. The RAC Route Planner is quite useful for this as it allows more waypoints than the AA Route Planner.
